

# TAHOE DOUGLAS FIRE PROTECTION DISTRICT

---

## Department of Fire Prevention

Dear Business Partner,

In accordance with the International Fire Code, the Tahoe Douglas Fire District requires an Operational Permit for certain types of activities. There is no fee to obtain a permit.

The following types of activities require an Operational Permit:

- Carnivals and Fairs
- Cutting and Welding (hot work)
- Exhibits and trade shows
- Explosives
- Use of a fire hydrant
- Use and storage of flammable and combustible liquids (in excess of amounts necessary for routing maintenance)
- Hazardous materials storage (in excess of amounts in table 105.6.20 of the IFC, may also require permit from the Nevada State Fire Marshal's office).
- High piled storage exceeding 500 square feet.
- Fueled vehicles or equipment inside assembly areas.
- Open Burning
- Open flames and torches in hazardous fire area
- Open flames and candles in assembly areas, dining areas or drinking establishments.
- Places of Public Assembly (new assembly areas, use of existing assembly occupancies beyond normal activities, use of decorative materials, etc.).
- Pyrotechnic special effects, including fireworks
- Temporary membrane structures, tents, and canopies.

The goal of this program is to assist the business community in conducting various activities, while providing for public safety.

Operational permits are available at the Round Hill Fire Station (193 Elks Point Road) or at [www.zephyrfiresafe.org](http://www.zephyrfiresafe.org) click on the Fire Prevention button and then click on Operational Permits.

Please do not hesitate to call if you have any questions about this process.

Sincerely,

A handwritten signature in black ink, appearing to be "M. Novak".

Mark Novak  
Fire Marshal

P.O. Box 919 193 Elks Point Road Zephyr Cove, Nevada 89448
